

Field Trip!

Dear First Grade Families,

We have another exciting learning opportunity planned for First Grade with a hands-on day of learning and fun at **Impression 5 Science Museum!**

Date: Impression 5 Science Museum - May 25, 2017

Time: We will leave promptly at 9am. We will return to school at 2:30pm.

Workshop: Each first grade class will attend a one hour hands on science class at Impression 5 that relates to the Next Generation Science Standards for first grade. Students will have the opportunity to learn about Force and Motion and participate in a science challenge.

In addition, students will also have the opportunity to explore the many hands on science lessons throughout the day.

Lunch: Everyone will need a cold lunch for the day. If you would like the school to provide your child's cold lunch, they will be happy to pack it for you at the cost of a regular school lunch. Please fill out the attached lunch order form ONLY if you want the school to provide a lunch for your child.

Cost: The First Grade Teachers wrote a grant to help cover the fees. In addition, our wonderful PTO has agreed to cover the rest of the admission fee and the hands-on Force and Motion class, along with the cost of busses.

Thank you PTO! There will not be any need to send in any money for the trip.

Chaperone: You are welcome to join us on our field trip as a chaperone. There is no admission price for chaperones. There are only 3 buses, so **plan to drive and meet us there**. We are also asking that this field trip is one you enjoy with only your first grade student... no siblings or pets please. :) If you are planning to chaperone, please fill out a volunteer background check, if you have not already done so for this school year.

Thank you!

Sincerely,
Ms. Frahm, Mrs. Quick, Mrs. Schafer, Ms. Saindon, and Ms. Esler

Impression Five Field Trip

Please return to your child's teacher by May 16, 2017

_____ has permission to attend Impression 5 on May 25, 2017. The busses will leave promptly after attendance and return at approximately 2:30pm.

_____ I would like to volunteer to chaperone for Impression 5 Science Museum.

_____ I have been approved to be a volunteer.

or

_____ I am submitting the Background Check Request.
